S i r,

With reference to your endorsement Fl. 3179 dated 29th December 1917, about the application of Mr. Hissam Alikhan and Mrs. Amana Begum for the pensions enjoyed by the late Mr. Mir. Kamaluddin Ali Khan, I have the honour to state that I this day perused the papers shown me by Mr. Mir Pasitali, one of the sons of the late Mr. Mir Kamaluddin Ali Khan. To one who like myself, knows the affairs of the family a little, no enquiry appears necessary. From the two petitions under advertance, it will be clear that the relationship of the several parties is not disputed. It is also not disputed that Mr. Hissam Ali is the eldest son of the deceased gentleman, that his mother was the deceased gentleman's first wife and that the mother of Messrs. Iqbal Ali Khan and Basit Ali Khan was married some 8 or 10 years later.

2. The only point in dispute will be (1) whether Mr. Hissam Ali Khan's mother was a shadi wife or Nikka wife and (2) if a Nikka wife whether, the claims of a shadi wives' sons are superior to those of the sons of a Nikka wife. As regards these points, the custom of the family is urged as being against the contentions of Mr. Hissam Ali Khan.

3. I know personally that there was not much love lost between this son and the father and he can scarce deny it. To those who had come in contact with the deceased gentleman, it must be clear as day, that he looked upon Messrs. Iqbal Ali and Basith Ali as his principal heirs. He got them specially educated and they have benefitted much thereby.

4. Whether or not there is the custom alleged, an enquiry into the matter would be a very delicate affair. The circumstances of the case are such that the pensions should be continued to Mr. Mir Iqbal Ali and not to Mr. Mir Hassam Ali.

5. The file of papers including the petitions received from the Deputy Commissioner, Mysore District are enclosed.

I have the honour to be,

Your most obedient servant,

Deputy Commissioner,

Sir,

I, the undersigned, the widow of the late Nawab Mir Kamaludin Ali Khan, Musahib to H. H. the Maharaja of Mysore, and retired Assistant Commissioner, beg permission to bring both on behalf of myself and ^{my} nine minor children, the following to your most favourable and generous consideration:-

- (1) That my husband the late Nawab who was the receipt of the "Mysore State Pension" of (Rs 2-11-4), "The Muta Furkat" of (Rs 0-13-0) died on the 8th of July 1917, leaving behind two sons viz. Messrs Mir Iqbal Ali Khan and Mir Basit Ali Khan, B. A. (Cantab) Bar-at Law by his first Shadi wife, who died in 1895; and by me, his second Shadi wife, seven minor sons and two minor daughters; and by his Nikha wife one son Mr. Mir Hissam Ali Khan who is an Excise Inspector at Hallanursipoor.
- (2) That of all the above mentioned nine Shadi sons the eldest is Mr. Mir Iqbal Ali Khan who is now studying in England and who in consideration of being the eldest Shadi son and as such the "Head of the ~~next~~ family" was appointed by my husband during his life-time "The trustee" of his numerous charities, by a duly registered deed of 26-10-1914; and shortly before his death, my husband requested His Highness the Maharaja by a telegram, that the said Mir Iqbal Ali, in consideration of the above facts, might be graciously conferred the office of Huzoor Musahib, which my husband was holding up till his death.
- (3) That in the family of my husband there has been a long established and well recognised custom of differentiating between a Shadi wife and a Nikha wife, and similarly between the son by the Shadi wife and son by Nikha wife. The distinction between such two classes of wives and children by them, is based upon their respective social status, and the intention of the husband while taking wives. The Shadi wife is always a lady of equal social status with the husband, while the Nikha wife is a woman of inferior status who is intended to be the help-maid of the

Shadi lady who is the mistress of the house. Mr. H. Montgomery, Superintendent, in his report to the Chief Commissioner to the Territories of H. H. Maharaja, on the death of my husband's grandfather, Nawab Mahmood, makes the said distinction between the Shadi wife and their children on the one hand, and the Nikha wives and their children on the other hand (vide enclosure No. A.)

(4) Thus it is clear from the said report that Nwab Mahmood had several sons by Nikha wives and only one son by Shadi wife viz. Syed Mohmad Tippu Sultan Ali Khan, my husband's father, and though the said son by the Shadi wife was younger than the sons of Nikha wives, yet when a selection was made, the issues of Nikha wives though senior to the issue of Shadi wife, were passed over and my husband's father-- the son by Shadi wife -- was considered the Head of the family and was accordingly given the post of Musahib-- an office which always conferred upon the head of the family.

(5) That my husband has not only left behind the above official report of Mr. H. Montgomery but has also left Palace as well as family records indicating the distinction above said forth; and he had further in course of his interview on 16-6-1917 a few weeks before his death, requested H. H. the Yuvaraja that in consideration of the above facts Mr. Iqbal Ali the eldest Shadi son ~~is~~ to be the Head of the family. The said report clearly shows that Hameedunisa Begam who was the Nikha wife of my husband had belonged to the Nikha branch of Nwab Mahmood, the grandfather of my husband, ~~was~~ much as she was the daughter of one Mir. Nasirudin Ali Khan, the son of Nwab Mahmood by one of his ten Nikha wives. It therefore, follows that Mr. Mir Hissam Ali Khan, the son of Hamidinasa Begam, the Nikha wife of my husband, cannot take precedence of Mr. Iqbal Ali, who is the eldest son by my husband's first Shadi wife.

(6) That I now learn that the said Mr. Hissam Ali has petitioned to you against his father's wishes and directions that the above mentioned family pensions of my late husband may be continued in his name as the Head pensionary of my husband's family. I am, indeed, extremely sorry, to have been thus driven to the painful necessity of exposing at least some of the most unpleasant facts, so as to enable you to kindly judge as to how far the said gentleman is entitled to become the Head or the Guardian of my

nine minor children and my two major step-sons in the face of the above mentioned disability of his being the Nikha son.

(7) That the said Mr. Mir Hissam Ali had during his father's life-time incurred the severest displeasure of my husband on account of his ignominious acts of disobedience and filial disobedience which are recorded in my husband's deed. Consequently my husband deemed it desirable to settle everything with him, and having done so he by means of a duly executed deed excommunicated him from his family, in order that the other children might not associate with him; and further expressed in his last deed of 26-10-1914 that the said Mr. Mir Hissam Ali should not even have the right to interfere with the management of his numerous charities which were entrusted to the care and supervision of Messes Mir Iqbal Ali and Basit Ali.

(8) That it is quite clear that the said Mr. Mir Hissam Ali Khan having received his full share duly executed a registered release bond on 18-7-1907 and thereby waved all his rights to his father's property, pensions extra. Under these circumstances, it is humbly submitted to you: generous notice that in the face of the above mentioned disability and the deed of excommunication and also of the release bond, Mr. Mir Hissam Ali Khan cannot lay claim to my husband's pension and much less to become the Head or Guardian of the remaining members whose confidence and respect he cannot even pretend to possess and command.

(9) That for the above said reasons, I most respectfully submit that in accordance with my husband's wishes and directions it is the unanimous desire of all the members of my husband's family that Mr. Mir Iqbal Ali Khan, both in consideration of his being the eldest Shadi son, and also of his personal qualifications may be graciously considered the Head Pensiondar of the family and that the said pensions may be graciously continued in his name.

(10) I further pray that as Mr. Mir Iqbal Ali is now in England, his younger brother Mr. Mir Basit Ali Khan who was granted the funeral present from the Palace for the performance of my husband's funeral ceremonies, and who has been drawing on behalf of my minor children the allowances from the Hyderabad Government, and who has transferred my hus-

husband's endowment of ~~Rs~~ 4000/- to the Mysore University and who is also managing the other charities of my husband, may be allowed to draw the said pensions on behalf of his brother Mr. Mir Iqbal Ali Khan till his return from England.

For which act of kindness and generosity I shall ever pray.

I beg to remain,

Sir,

Your most obedient servant,

EXTRACT OF GOOLSHANAY MAHAMOODI,

Pages 27—28

No. 4.

To,

THE SECRETARY,

TO THE CHIEF COMMISSIONER,

for the Territories of the Maha Raja of

Mysore, Bangalore.

SIR,

I have the honor to report for the information of the Commissioner, the death on the 9th instant of Mir Mohamood Ali Khan, the most influential and distinguished Muhammadan gentleman remaining amongst the connections of the late Sultan.

2. He was, as the Commissioner is aware, half-brother to the late Kamarudeen (latter being illegitimate) and Mir Mahamood Ali Khan, the legitimate son of the late Nawab of Gurumkonda, and first cousin, on the maternal side, to the late Sultan. He was also the head of the old and respectable family of the Nawabs of Gurumkonda.

3. Mir Mahamood Sahib has resided at Mysore since the year 1809, and during his long residence he has not only been employed frequently in a confidential manner by H. H. the Raja; but also has been constantly made use of by former Residents, by Captain Chalmers, and by myself, in settling disputes amongst the Muhammadan population generally, but more especially in communicating with the pensioners of that persuasion and settling their family differences.

4. Latterly, indeed, he has been almost the only person who was employed. He is the last of those who, by their birth, character, and position, had any influence amongst them; and it is but justice to him here to say that they generally accepted his mediation and advice with a cheerfulness that showed he possessed their confidence. In disputes regarding the shares of pensions he was very valuable, and his loss will be deeply felt, not only by Muhammadan pensioners of all descriptions, but by the officers in charge of them.

29--30

6 Jan Bano	{ 1 son Mir Mainudeen Ali Khan, married. 1 daughter Wazira Begum married, who has 1 unmarried daughter.
7 Pirath Bano	{ 1 son Mir Bhahanddeen Ali Khan has 3 married daughters. 1 daughter Kamarunnissa Begum married.
6 Dilshad Bano	{ 1 son Mir Aminuddeen Ali Khan has one son married.
Husain Bano	{ 1 daughter Khirunnissa Begum married, has two sons, one daughter.
10 Mushtaree Bano	{ 1 son Mir Hassanudeen Ali Khan, 2 daughters unmarried. 1 Abbasse Begum unmarried. 2 Rahima Begum unmarried.

Thus the immediate surviving relations of Mir Mahamood amount to

- *1 Shadi wife.
- 6 Nikha wives.
- 10 Sons.
- 11 Daughters.
- 17 Grandsons.
- 23 Granddaughters.

in all 68 persons.

The whole of these with many other relations, especially the wives, families, and dependents of the late Kamardeen Khan, numbering in all more than his own immediate family, lived on Mir Mahamood's bounty; though some few of them have small means of livelihood independent of him. His sons had all, I believe, (except the youngest) a fixed allowance monthly from him, ranging from Rs. 50 to Rs. 80; his wives in like manner had a separate allowance each. Unless the bounty of the Government is bestowed on this family, they will be reduced to a state of very great distress, and most of them to penury.

They are so numerous that unless an income, by act of grace and favor is extended to them, it will be impossible, broken up, as they will in all probability be, to afford them the common

means of livelihood. Taking into consideration that Mir Mahamood is the last of the Sultan's near relations in this part of India and the nearest in blood that ever was amongst the pensioners, and considering the personal position he has held here for so many years, I would respectfully recommend his family to the most liberal consideration the Chief Commissioner feels in his mind to afford.

Mir Mahamood drew a pension under three heads as follows :—

From the two lac fund	120 pagodas	or	Rs. 350
Mysore pension	180-4-11	or	„ 525
Sowar Department	44-1- 1	or	„ 135
Total Pagodas	345-2- 2	or	Rs. 1,010

From a reference to the old pension record, it appears that in a number of instances, in former years, the full pension was continued in special cases to the families of deceased pensioners; indeed the cases are numerous in which they have been so continued, at least to the first generation succeeding the original grantee.

The old families in Mysore may be said now to have disappeared and no more pensions of any large amount are in existence, so that nothing that can be done in the case of Mir Mahamood's family can hereafter be pleaded inconveniently as a precedent.

I have the honor, &c., &c.,
